# ABOUT ART HOUSE DALLAS

Art House Dallas is a local nonprofit that serves and supports local artists – visual arts, music, literary, and performing arts – through artist formation and outreach opportunities. Central to our mission of Creativity for the Common Good, Art House Dallas believes in the power of creativity to form a more thoughtful, compassionate, and united Dallas. Our work is built upon the value of three pillars: community, formation, and outreach.

## 2023 SPONSORSHIPS

Throughout this year, Art House Dallas has curated specific experiences to bring people together to enjoy art, beauty, and community. Art House Dallas has always organized unique experiences for our community celebrating truth, goodness, and beauty while encouraging meaningful ways to live deeper into one's vocation. These "Come and See" experiences are intended to bring together friends, patrons, and creatives for small gatherings to celebrate and enjoy the work of local artists — songwriters, visual artists, authors, philosophers, and poets.

We value your patronage and support and trust you will consider joining Art House Dallas to pursue creative community for the common good. On behalf of the AHD Board of Directors and our community of local artists, I hope you will consider joining us as we encourage artists and inspire the imagination of those throughout our city to see beauty, goodness, and hope.
